SUMMARY OF DIFFERENCES BETWEEN DISTRICT AND FEDERAL REGULATIONS

1. Notification:

All generators and handlers of regulated wastes are required to notify the District using the RCRA Subtitle C Site Identification Form:

- ✓ Conditionally Exempt Small Quantity Generators (CESQG)
- ✓ Small Quantity Generators (SQG)
- ✓ Large Quantity Generators (LQG)
- ✓ Universal Waste Handlers- small and large handlers required to notify <u>before</u> generating or receiving wastes.
- ✓ Used oil handlers

2. Reports:

- ✓ Yearly self-certification required for CESQG and SQG (3/1/2006)
- ✓ Any document required to be sent to EPA or other federal agency must also be sent to the District Hazardous Waste Division.
- ✓ Emergency notifications made to federal agencies must also be made to the DC Emergency Management Agency.
- 3. Annual Fees: (3/1/2005)
 - ✓ LQG= \$1000.

 $\int SQG = $500.$

✓ CESQG= \$ 200.

f TSD = \$2500.

✓ One time generator temporary ID# fee is \$100, and Permit application fee is \$10,000.

4. Transporters:

- ✓ Hazardous Waste transfer facilities subject to TSD permitting requirements
- ✓ Universal waste transfer facilities regulated same as universal waste handlers
- ✓ Used oil transfer facilities regulated same as used oil processors and re-refiners
- ✓ No parking of vacuum, pump, or tanker trucks holding waste for more than 24 hrs.

5. Waste Management:

- ✓ Satellite accumulation waste must be labeled and dated at generation point. Waste must be shipped within 90 days (LQG) or 180 days (SQG); also must meet secondary containment and closure requirements
- ✓ Used oil mixed with CESQG hazardous waste must be managed as hazardous waste
- ✓ Used oil containers and aboveground tanks require secondary containment

6. Prohibitions

The District prohibits illegal dumping, burning and incineration, land treatment, underground injection, and the acceptance of hazardous waste by Solid Waste Transfer Stations.

This Fact Sheet is not intended as a comprehensive program description or substitute for regulations promulgated pursuant to the DC Hazardous Waste Management Act.
